

BLUEGREEN VACATION CLUB ASSOCIATION

Payment Plan Terms and Conditions

To initiate a payment plan, you will need to call Bluegreen Vacation Services at 800.456.2582. The Vacation Club allows you to choose a three or four month payment plan. The Board of Directors may, at its discretion, approve an extended payment plan beyond four months. A representative will provide monthly payment options by simply dividing your account balance into three or four equal payments. The representative will establish your payment plan by taking your first payment while on the phone, which includes a \$25.00 administrative fee. All you need to do is provide a credit card or debit card. Bluegreen has teamed up with Axis Financial Services for convenient account payment plan servicing. Once a payment plan has been established, you can contact Axis, at 888.831.2947 or payaxis.com. With Axis, you can now utilize SurePay and enjoy the convenience of having your payments automatically deducted from your checking, savings, or credit card account. Axis will be sending you reminder statements for future payments. Remember, you must first establish a payment plan by contacting us by phone. Establishment of payment plans cannot be done online, by email, or by sending in a check payment.

Below is the timeline for establishing and maintaining a payment plan. We encourage you to set up your payment plan prior to the due date and penalty fees are applied to your account. Once penalty fees are applied, they will not be waived.

As noted in the Bluegreen Vacation Club Association Maintenance Fee Assessment Billing and Collections Policy, reservations are restricted until the payment plan is satisfied.

If you fail to meet the obligations of your established payment plan, the plan will be considered in default and subject to additional penalty fees and referral to collections as described in the Bluegreen Vacation Club Association Maintenance Fee Assessment Billing and Collections Policy.
